## Responsible Driver Program Requirements

I have been referred by RoadSafetyBC to the Responsible Driver Program (the "Program"), administered by Stroh Health Care Consulting Corporation ("Stroh"). My participation in this program is to enable the Superintendent of Motor Vehicles to determine my fitness to drive. I acknowledge that this program can take up to 9 months to complete, and that I should register as soon as possible.

## Consent to Release Information

- I acknowledge that by registering to participate in the Program, RoadSafetyBC will provide Stroh with my driving record and any other information in its possession which RoadSafetyBC considers relevant to my participation in the Program.
- I acknowledge that Stroh will be collecting personal information from me as it relates to the Program and I consent to Stroh providing information concerning my participation in the Program to RoadSafetyBC.

## Acknowledgement and Agreement to Program Requirements

- I acknowledge that a telephone assessment will be used by Stroh to determine the appropriate Program required. The telephone assessment will include, but is not limited to:
  - A review of my driving record;
  - Completion of standardized questionnaires;
  - Participating in a structured assessment which will include questions about:
 

<ul style="list-style-type: none"> <li>○ Most recent drinking/other drug use and driving incident;</li> <li>○ Past drinking/other drug use and driving incidents</li> <li>○ Coping styles and personality characteristics;</li> </ul>	<ul style="list-style-type: none"> <li>○ Family and social life;</li> <li>○ Educational and employment history;</li> <li>○ Legal history;</li> <li>○ Medical history</li> </ul>
---	---
- I understand that my telephone assessment will result in my being referred to one of the following:
  - The 8 hour Program;
  - The 16 hour Program
- I understand that if I am referred to the 8 hour Program that either I or the group facilitator may determine that I am more suited for the 16 hour Program as more information is gathered by the facilitators or I gain more insights. In this case, I would be referred to that alternative Program.
- I understand that if I am referred to the 8 hour Program, a report will be sent to RoadSafetyBC that will either confirm my satisfactory completion of the 8 hour Program or explain why the Program was not completed. If I do not participate in a satisfactory way, I understand that Stroh may allow me to repeat the 8 hour Program for an additional charge.
- I understand that if I am referred to the 16 hour Program, my basic attendance information and my program results will be sent to RoadSafetyBC. At the conclusion of the 16 hour Program a report will be sent to the person doing the Post-Intervention Assessment. If I do not participate in the 16 hour Program in a satisfactory way, I understand that Stroh may require me to repeat the 16 hour Program for an additional charge.
- I understand that at the completion of the 16 hour Program, I may undergo a Post-Intervention Assessment that will allow the assessor to make a recommendation to RoadSafetyBC with regard to my fitness to drive. At the conclusion of the assessment, my participation in all phases of the Responsible Driver Program will be reviewed and a report will be sent to RoadSafetyBC. This report will be based on all information received and reviewed by Stroh, as well as all information provided by me during the assessment.
